MAIN AREAS OF INTERVENTION

955 BENEFICIARIES

36.4%

63.6%

DEVELOPMENT OF CAMEL MILK VALUE CHAIN

SUSTAINABLE RESOURCE MANAGEMENT

- In 2022, the "Galbiin Gobi's Wealth Treasure" Camel Milk Producers' Cooperative was established by TESO Group
- In 2023, Mongolia's **first camel milk farm** was established by Solid Partners Group LLC (SPG LLC)
- Development of **Camel milk cluster**

INNOVATION AND TECHNOLOGY TRANSFORMATION

- **Cold chain equipment** – cooperative, TESO Group
- **Blockchain-based Traceability System** – Cooperative, TESO Group
- **Portable Milking machine** – Cooperative
- Stationary and portable milking machine – SPG LLC

CAPACITY BUILDING

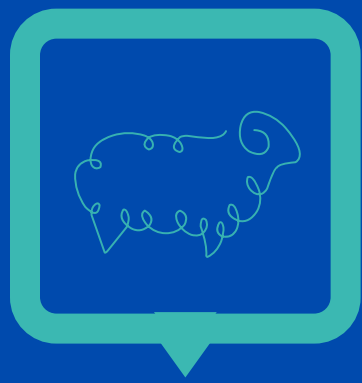

- **Capacity-Building Trainings:** Management, milk quality, standards, and technology trainings
- Launch of the Camel milk **"INCUBATOR FARM"** training and development center by SPG LLC
- Short term training program – "Good agriculture practices" in Camel Farming developed jointly with MULS and SPG LLC
- Study tour on camel farming practice in Inner Mongolia, in collaboration with the Local Government

RESEARCH AND EXPERIMENT

- **Market Research:** Analysis of the camel milk and dairy product market in China
- **Feed and Nutrition Management Research:** Trials and studies conducted by the School of Animal Husbandry and Biotechnology, MULS
- **Product Development Trials:** Ice cream and cheese prototypes developed with international camel experts and TESO Group

DEVELOPMENT OF OFFAL MEAT VALUE CHAIN

INNOVATION AND TECHNOLOGY TRANSFORMATION

- **Product Development Based on Scientific Research:** Creation of nutrient-rich, bioactive products with regulatory effects (in collaboration with MUST and MNUMS)
- **Technology Transfer for New Product Lines:** Supported two startup companies in launching innovative production technologies

CAPACITY BUILDING

- **Capacity-Building Training and Certification** for workers in livestock slaughterhouses
- **Technological Oversight Training** for factory technologists, specialists, and inspectors from Agricultural and Food Agencies
- **Skill Competitions and Training** for school and kindergarten nutritionists and chefs
- **Advisory Services** for Implementing Best Practices to support the adoption of appropriate standards and practices

STUDY MARKET ACCESS

- **Market and Consumption Study** for Offal Meat conducted by MMPA
- **Promotional and Advocacy Campaigns** to raise awareness of the health benefits of offal meat and increase its consumption
- **Production** Initiated by Khos Ulaan Uul (Uushgi brand) and Ikh Asralt companies

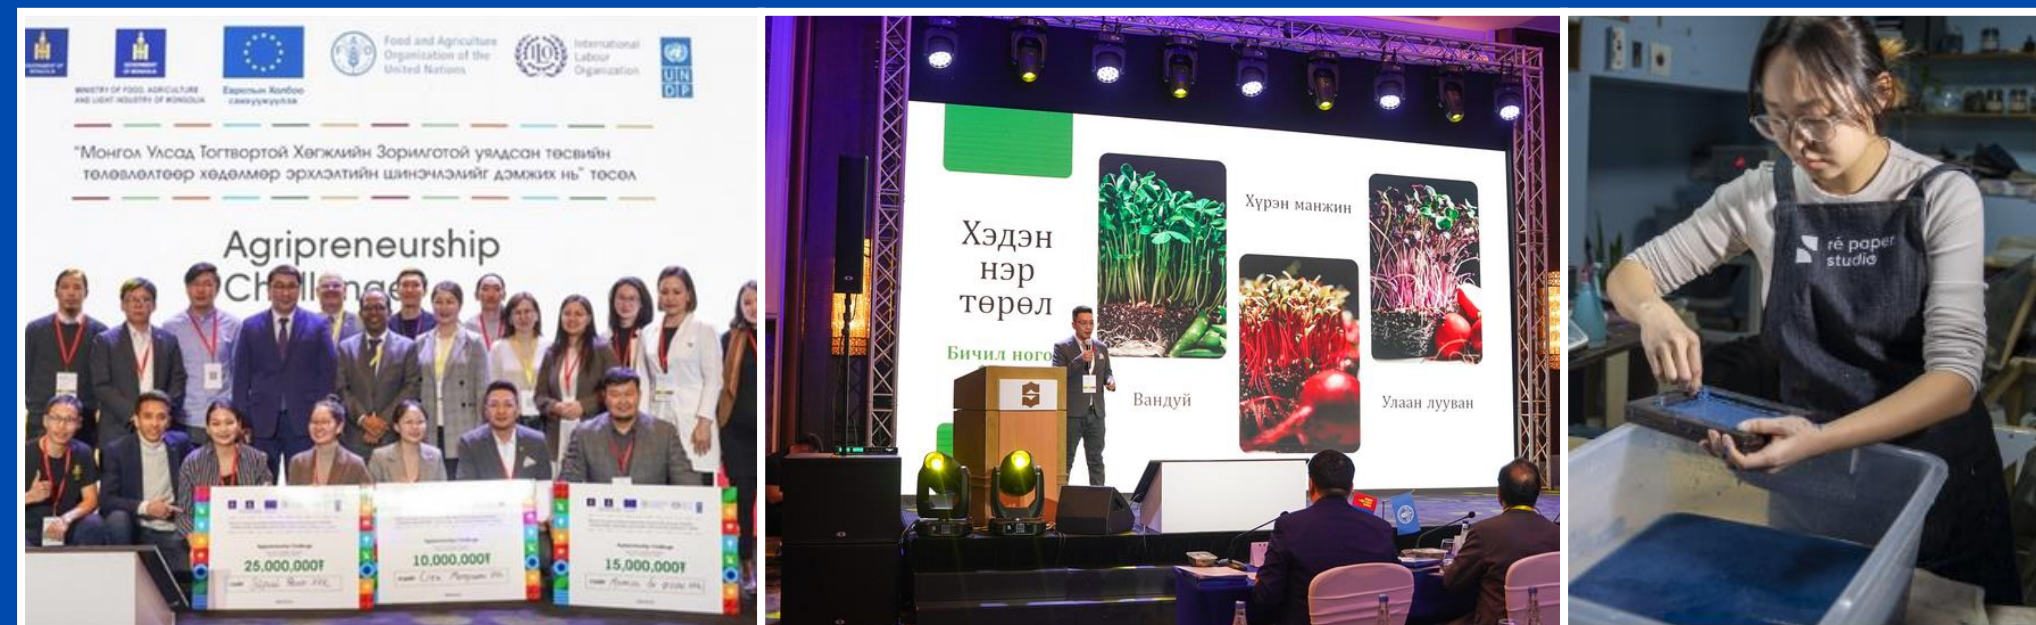

SUPPORTING AGRICULTURAL STARTUP BUSINESSES

INNOVATIVE IDEAS

- 100+ Agripreneurship Challenge competition and mentorship program for startup businesses.
 - Provision of equipment and machinery
 - Mentorship and incubation program for business development and innovation

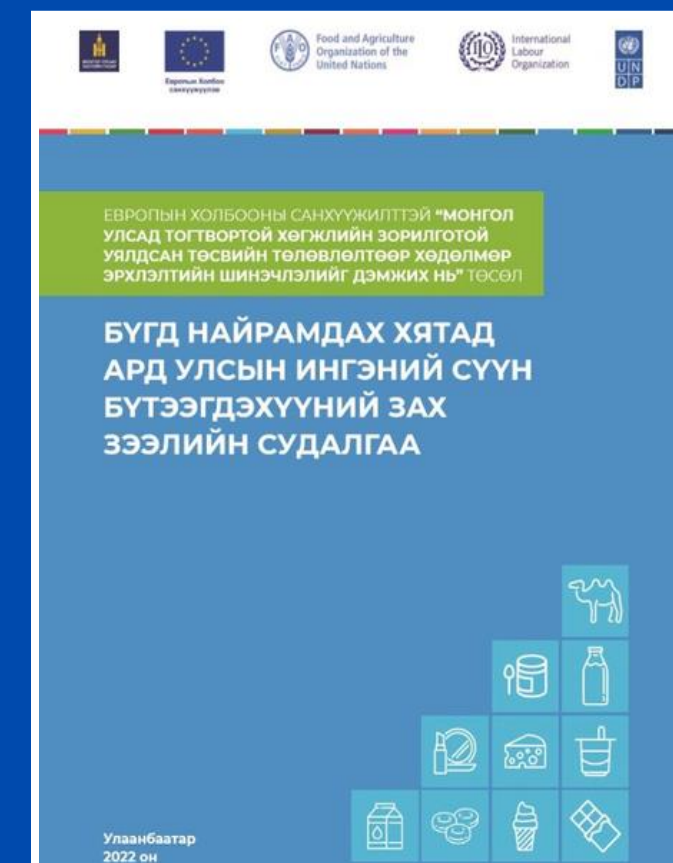

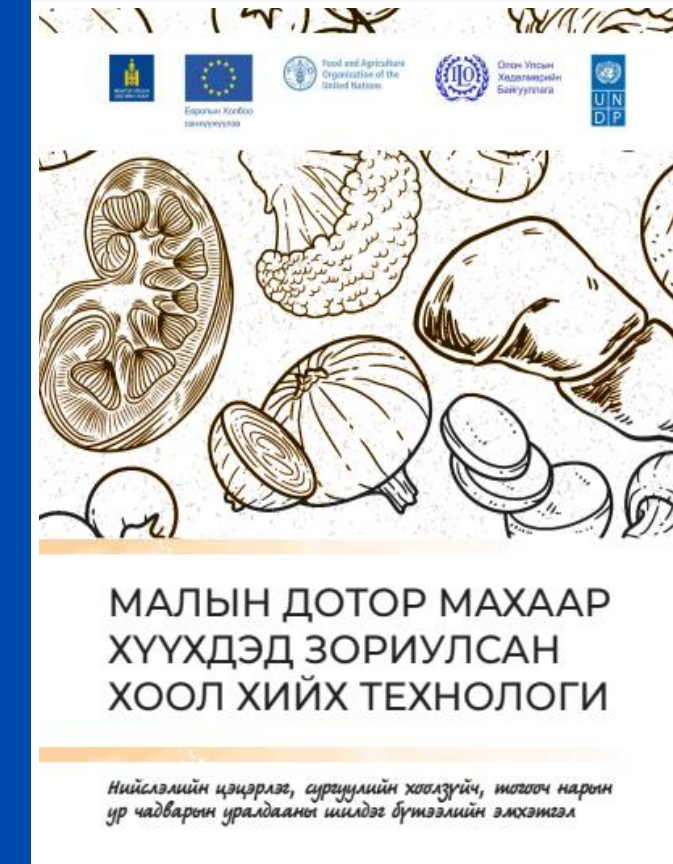

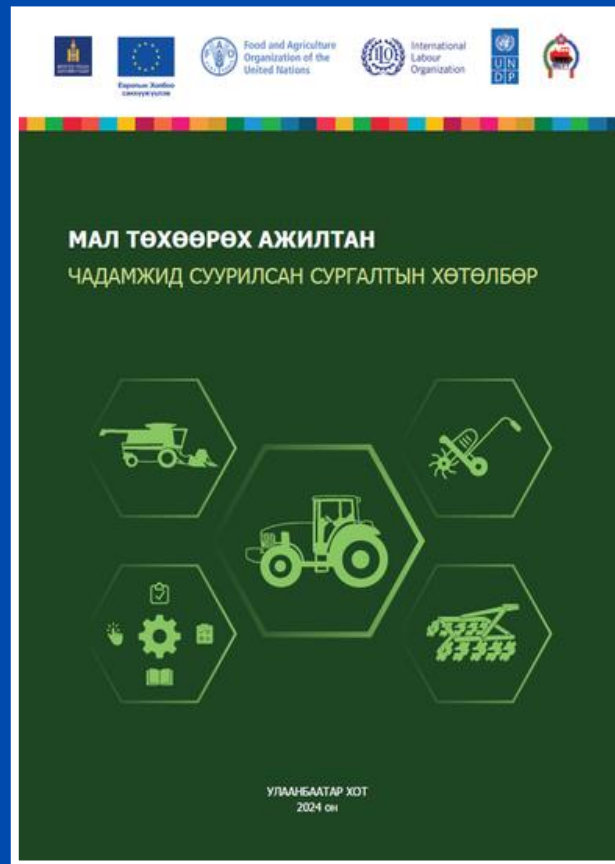

CAPACITY BUILDING

- Professional Training Program for agricultural machinery repair technicians and operators
- Provision of Training Tools and Equipment
- Rural Investment Training focused on business plan development

“SDG-ALIGNED BUDGETING TO TRANSFORM EMPLOYMENT IN MONGOLIA” PROJECT

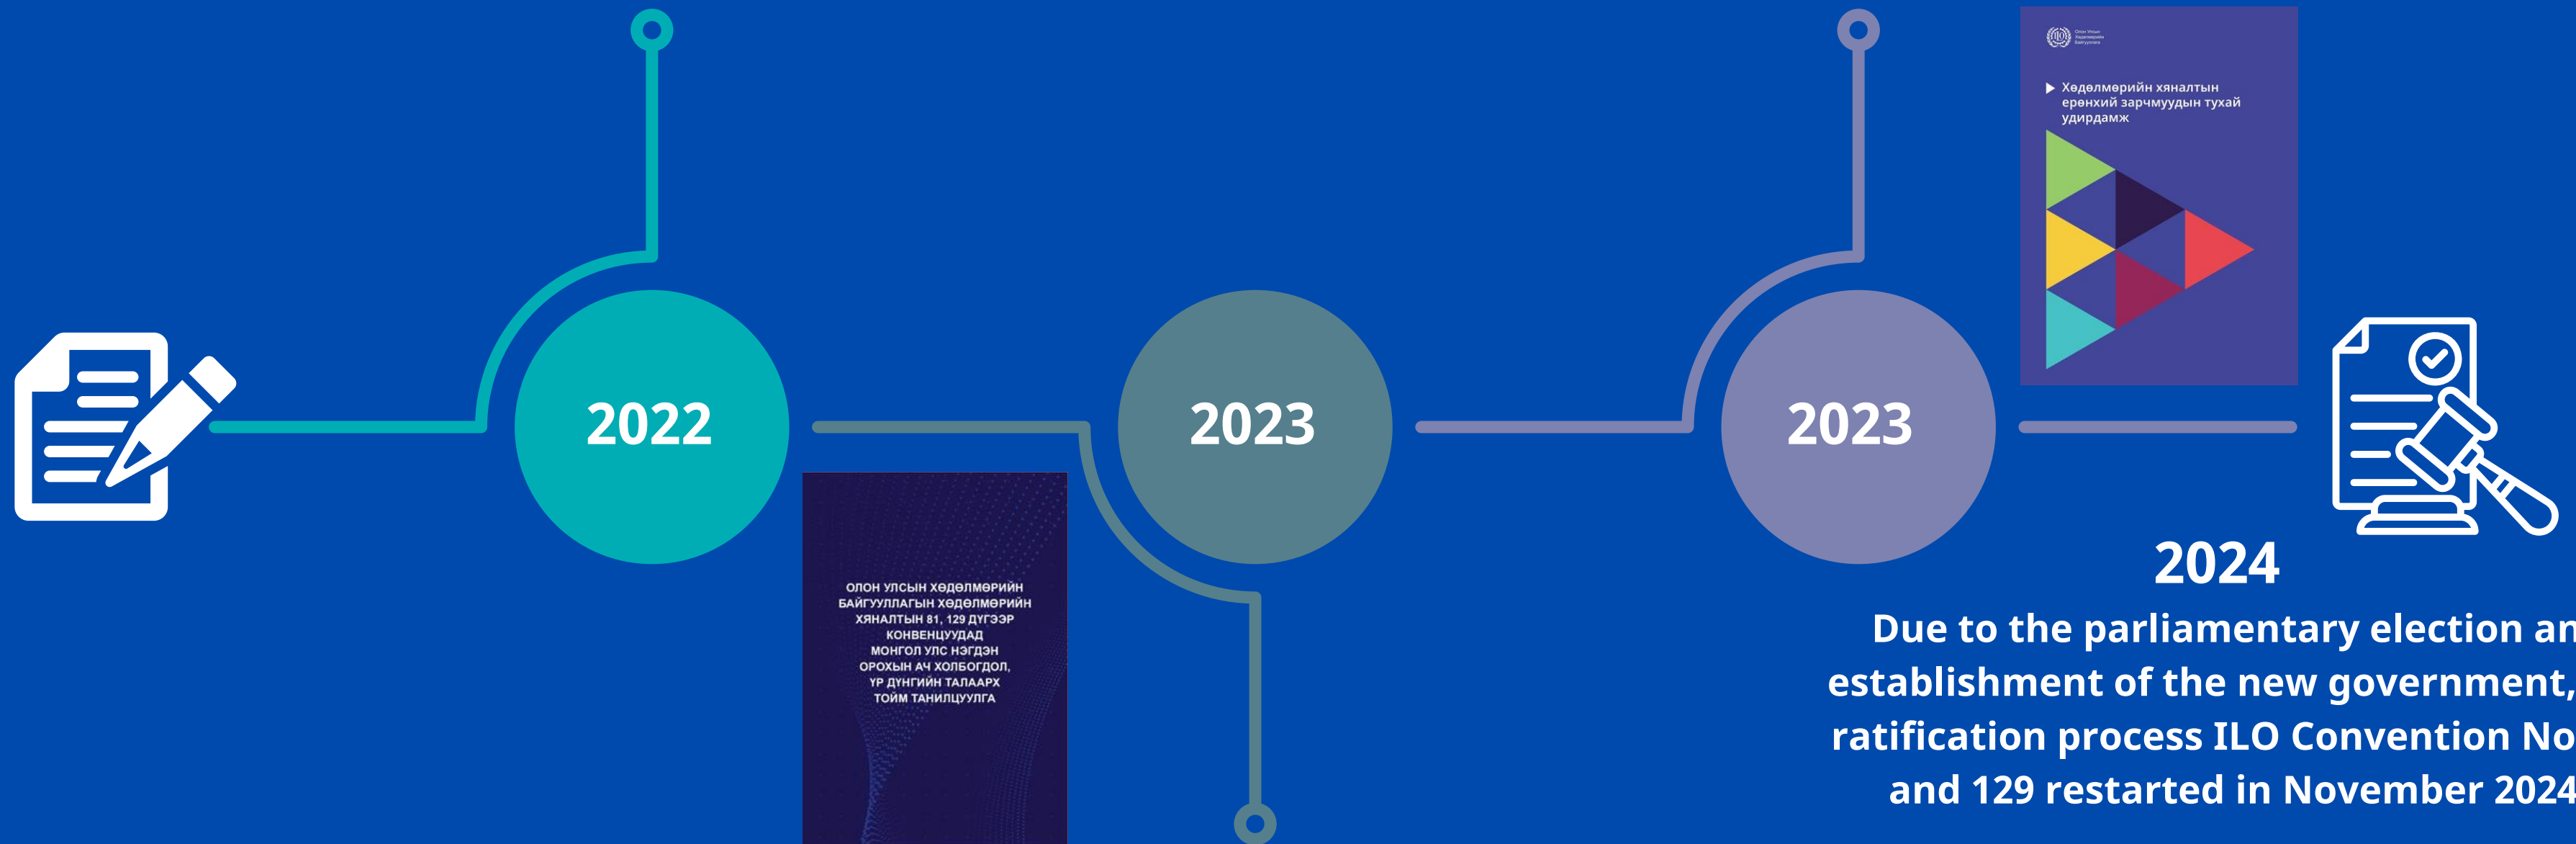

INTERNATIONAL LABOUR ORGANIZATION (ILO) COMPONENT RESULTS

Preparatory documents for the ratification of ILO Convention No. 81 of 1947 on Labour Inspection (Commerce and Industry) and ILO Convention No. 129 of 1969 on Labour Inspection (Agriculture) have been completed.

The annual inspection plan is developed based on the Strategic Compliance Planning (SCP) methodology of the ILO.

Labour inspection policy document has been drafted based on the ILO Guidelines on General Principles of Labour Inspection.

Developed an implementation action plan on ratification of the ILO Convention Nos 81 and 129.

Due to the parliamentary election and establishment of the new government, the ratification process ILO Convention Nos 81 and 129 restarted in November 2024.

Improved legal environment to increase the efficiency of labour inspection.

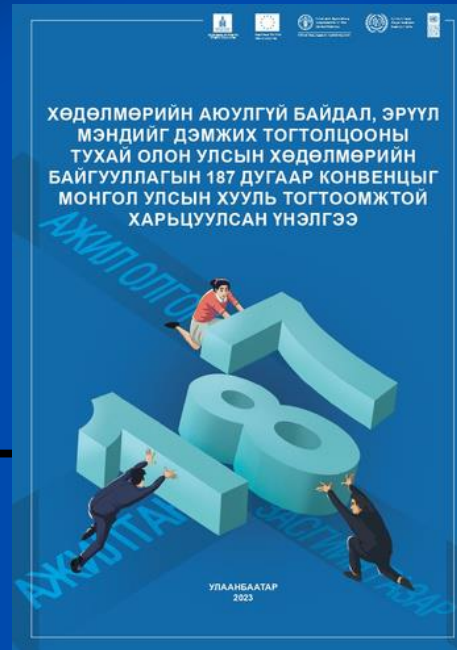

The National Action Programme on (Occupational Safety and Health) OSH for 2021-2025

A legal gap analysis of the ILO Convention No.187 on Promotional Framework for OSH

Needs assessment report and a draft concept note for the revision of the Law on Occupational Safety and Health

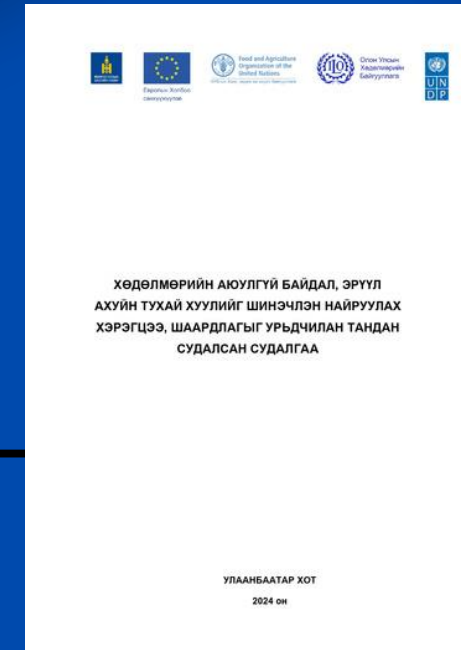

ILO's technical comment to the draft labour inspection policy

2023

2023

2024

2024

Enhanced national capacity to fulfil reporting obligations related to international labour standards.

“ Provided technical support to the Ministry to improve the content of reports on ratified ILO Conventions.

In 2021-2024, the Mongolian Government fulfilled its reporting obligation.”

“ Improved the capacity of national tripartite sub-committee on application of ILO conventions and recommendations.”

NORMLEX Home > Regular reporting: ratified conventions (Art.22/35) > Reporting Obligations for Mongolia

C181	2015	Regular			(pdf, 614kb)

Improved the quantitative data analysis essential for effective labour policy formulation.

In 2024, the National Statistics Office has revised the labour force survey questionnaire in line with the 20th and 21st International Conference of Labour Statisticians (ICLS). Labour statistics have been improved to estimate informal economy and status in employment (employment contract and its terms and conditions. Voluntary social insurance contribution data if self-employed or in informal economy).

Updating the Accelerating the 2030 Sustainable Development Goals through decent work: SDG monitoring and country profile for Mongolia report in collaboration with the National Statistics Office.

Developing a handbook on Decent Work Indicators with a focus on SDGs in collaboration with the National Statistics Office.

Enhanced the capacity of social partners to effectively implement the fundamental principles and rights at work (FPRW).

2023

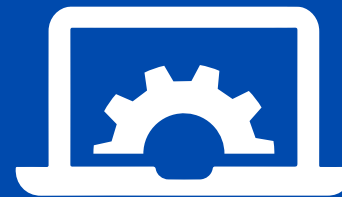

A study tour is organized in Philippines to improve membership services provided by Mongolian Employers' Federation (MONEF) and Mongolian National Chamber of Commerce and Industry (MNCCI).

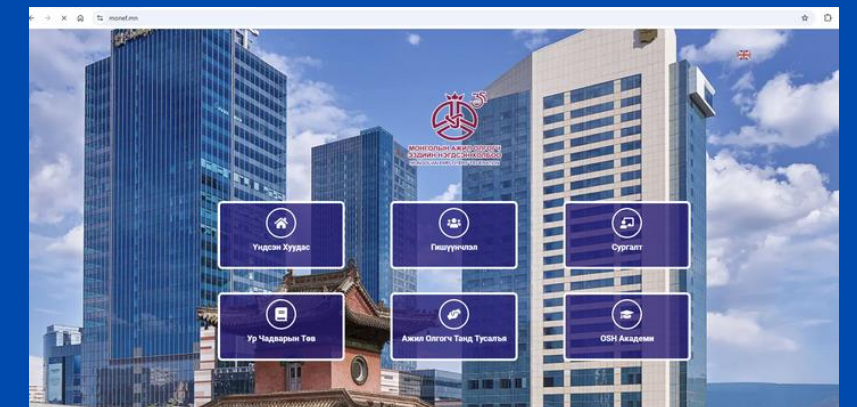

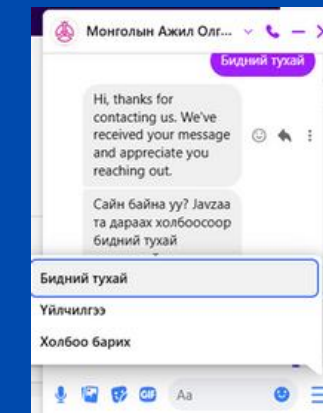

Organized Labour Law training in Bayankhongor province trade union representatives, including sectoral trade union federations.

2024

MONEF updated its website and created chatbot services on the Facebook page improve the quality of their services to its members and other enterprises.

The Confederation of Mongolian Trade Union (CMTU) conducted training to improve capacity of trade union teachers and activists and created new training services.

Improved the capacity of Decent Work for Youth Network (DW4YN) members and promoted youth rights at work.

DW4YN launched a social media campaign to increase youth awareness about the newly approved Labour law.

Organized training for workers in the arts and culture sectors on fundamental principles and rights at work (FPRW).

Produced two videos to promote decent work, FPRW in the arts and culture sector and reached to more than 110,000 people through social media.

2021

2023

2023

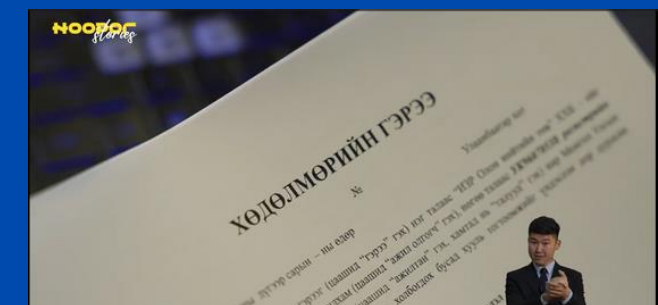

2024

2024

Organized two hackathons on youth rights at work. More than 100 youth from 21 teams participated in Hackathons'.

Translated and adapted the ILO Work Wise youth guideline into Mongolian context and trained 40 ToTs.

Strengthened the capacity of the labour inspectors to enhance compliance mechanisms.

2021

Conducted a training needs assessment of the labour inspectors.

2022

The ILO's Strategic Compliance Planning (SCP) methodology has been introduced to labour inspection.

2023

Conducted training and workshops for 190 labour and social protection inspectors.

2023

Translated all 17 modules of the ILO Curriculum on Building Modern and Effective Labour Inspection Systems and submitted to the MFLSP.

Strengthened the capacity of the labour inspectors to enhance compliance mechanisms.
